MEMORANDUM FOR: Robert E. Matteson
Executive Office Building

SUBJECT : [] Views on Disarmament

25X1

I had a talk this afternoon [] local representa-
tive [] He said that
[] was convinced that the Rapacki plan was
advanced on Polish initiative, at least in the early stages. The
[] were also convinced that the only way there could be any
concrete advance in the field of disarmament would be through
bilateral US-USSR discussions and that these might be handled
under almost any cover, such as an expanded Disarmament Commission
or UN General Assembly.
